Prof. Talat Ahmad
Vice Chancellor
University of Kashmir
Hazratbal, Srinagar

Dear Prof. Ahmad,

Greetings from the United States-India Educational Foundation (USIEF), the Fulbright Commission in India!

The United States – India Educational Foundation (USIEF) promotes mutual understanding between the nationals of India and the U.S. through the educational exchange of outstanding scholars, professionals and students. In the rapidly evolving field of international education, United States-India Educational Foundation (USIEF) offers a fresh perspective in educational advising, fellowship support and facilitating academic dialogue between the U.S. and India.

USIEF has announced its annual competition for the Fulbright-Nehru and other Fulbright Fellowships for Indian citizens for the academic year 2020-2021. Open to students, academics, teachers and professionals, these

Wright
circulate among Deans of the faculties
28/1/19
PA
Circulate to all Depts/Centres Under school

fellowships are offered in the following fields: **Agricultural Sciences; Anthropology; Bioengineering; Computer Science (including, but not limited to, cyber security, digital economy, quantum computing, artificial intelligence, machine learning and big data analytics); Economics; Education Policy and Planning; Energy Studies; History; International Law; International Security and Strategic Studies; Materials Science (with emphasis on environmental applications); Mathematical Sciences; Neurosciences; Performing Arts; Physical Sciences; Public Health; Public Policy; Sociology; Urban and Regional Planning (with emphasis on smart cities and waste management); Visual Arts; and Women's and Gender Studies.**

We would like to conduct Digital Video Conferencing on **February 7 (Thursday) at University of Kashmir** around 3.00 pm to discuss about "Fulbright and Fulbright-Nehru Fellowship Opportunities to the U.S." This virtual outreach program is designed to provide information on Fulbright-Nehru, other Fulbright, and Fulbright-Kalam fellowship opportunities for study, research, teaching and professional in the U.S. We will make a PowerPoint presentation for around 45 minutes followed by Q&A. Please invite scientists from the fields that we are offering this year. Our presentation will provide details about Fulbright program, eligibility criteria, application procedure, tips on writing a strong application, review process and selection criteria.

Details about the Fulbright Fellowships will be available on the USIEF website <http://www.usief.org.in/Fellowships/Fellowships-for-Indian-Citizens.aspx>

Application deadline begins from May 15.

USIEF appreciates your support in raising the visibility of Fulbright program.

We look forward to hearing from you.
