

## DEPARTMENT OF NANOTECHNOLOGY

UNIVERSITY OF KASHMIR, SRINAGAR

(NAAC Accredited Grade – A)

No: DBT/2023/SIX1

Date: 18-07-2023

### Re-Advertisement Notice

**Applications are invited from the eligible and highly motivated candidates for the post of Junior Research fellow (JRF) available in a research project under Dr. Mushtaq A. Beigh**

After conducting a rigorous selection process, the previous round of interviews for the position concluded without selecting a suitable candidate. We are committed to ensuring that we find the best fit for this role and, therefore, have decided to re-advertise the position.

**Project: A study to evaluate the role of GSK3 $\beta$ /CK2/SIX1 signaling axis as a potential therapeutic node in cancer metastasis.** The project is funded by DBT, Govt. of India for a period of three years.

**Eligibility:** MSc (in any area of **Life-sciences**) preferably Nanotechnology, Biotechnology, Biochemistry, Clinical Biochemistry having not less than 55% marks (equivalent CGPA) with NET/GATE/SET/DBT/ICMR or equivalent.

**Stipend:** 31000 INR per month for initial two years and 35000 INR for the 3<sup>rd</sup> year (+HRA, as admissible)

**How to apply:** A cover letter and a detailed CV must reach to the office of the undersigned or be emailed to [beighm@uok.edu.in](mailto:beighm@uok.edu.in). The last date for submission of applications is extended to **26-07-2023**.

The venue and date of interview will be communicated to the shortlisted candidates.

The appointment is purely temporary, initially for a period of one year and may be extended up to a maximum of three years depending upon the performance of the candidate and co-terminus with the project.

S/d

Mushtaq A. Beigh, PhD

Principal Investigator
