Minutes of the Board of Under Graduate Studies in Nanotechnology

A meeting of the Board of Under Graduate Studies (BoUGS) in Nanotechnology was recently conducted in the office chambers of the Head, Department of Nanotechnology, University of Kashmir, on October 05, 2023 at 3:00 pm. The Draft Syllabus for Semesters I, II, III & IV for BSc Honors in Nanotechnology was placed before the members of the Committee for discussion, recommendations and approval thereof. After a threadbare discussion and taking inputs from all BoUGS members and its co-opted members, necessary corrections/changes to be made were recorded for incorporation in the subsequent Draft Syllabus. Prior to this, the first draft of syllabus had already been placed before the Committee in the BoUGS meeting held on June 09, 2023 at 2:30 pm, in the office chambers of the Head, Department of Nanotechnology, University of Kashmir for necessary discussions, deliberations and further course of action. Subsequent to both meetings and after taking suggestions from all members and invited co-opted subject experts, necessary changes have been incorporated in the proposed syllabus and the same as appended at Annexure-1, stands agreed upon for final approval.

It was also recommended that the examination pattern followed would be as per the University regulations in vogue for other UG programmes in Science streams, as per NEP-2020 guidelines. However the evaluation of Tutorials in the courses wherever included, shall be as per the following scheme:

Write-up/Assignment: 50% weightage

Viva Voce: 50% weightage
